2. FORWARD BY THE CLERK OF THE ASSEMBLY

Put the forward note by the Clerk of the County Assembly.

Include the following:

Budget performance
During the year under review the budget absorption for development and recurrent expenditures was 99.67%. The input of resources enabled the County Assembly to efficiently deliver its mandate of oversight, legislation and representation. Again this lead to legislation of various bills brought to the house and adhering to the constitution on budget processing of the county. Also the sectorial committees performed their mandate in ensuring that the development projects have been executed by the executive this has led to timely implementation of projects and improvement of livelihood of the residence of the county especially access to Health care, water and sanitation and Education. The expenditure was within the approved budget and all controls were in place.
Operational Performance
The County Assembly passed three laws which when operationalised will bring better development and improved services to the people of Elgeyo/Marakwet and also perfect the efficiency of operations at the County Government. The Elgeyo/Marakwet Supplementary Act, 2018 was assented on 2nd March, 2018 and commenced on 7th March 2018 while the Elgeyo/Marakwet Appropriation Act, 2018 was assented on 2nd July 2018 and commenced on July 2018. There was only one supplementary budget during the course of the year and was passed on 21st February, 2018 The mandate of the Committees is derived from the County Assembly Standing Orders. There are three types of committees in the County Assembly. They include: The committee of the whole assembly; Standing or select committees, including; Sectoral Committees, Housekeeping committees, Statutory committees, Watchdog committees and Adhoc select committees. During the financial year, All the Committees conducted capacity building trainings to equip its members on the mandate of their respective Committee as well as conducting sectoral oversight visits each quarter.
Performance of key development projects
During the year under review, the county assembly undertook various development projects which include; construction of county assembly cafeteria as well as acquiring and installing equipment at cafeteria. Since the county assembly does not operate an independent account, all development expenditures incurred is paid by the county treasury. However, the county assembly maintains all projects files and payment vouchers related thereto. Most projects are in final stages of completion after which the contractors will hand them over to the assembly. Upon completion, these projects will assist the county assembly to discharge its mandate effectively and efficiently.

Comment on value-for-money achievements
Since the County Assembly has completed refurbishment of the new chambers, it has enhanced smooth, effective and efficient performance of members in discharging their core mandate of representation, Legislation and oversight. Also the equipping of Hansard equipment has enabled recording of proceeding in the house and posting it in the county assembly website which informs the public on the progress of projects and give feedback on the same hence improve public participation in managing the resources and directing them to high impact projects.
Challenges and Recommended Way Forward
The budget implementation faced few challenges which include; delay In disbursement of funds during the first quarter, Scarce resources allocated to the assembly for its development projects. The way forward is to improve timely disbursement of funds and further sensitisation on e-procurement for suppliers to embrace the new technology. The county treasury should further allocate funds for development to the assembly in order to enable the assembly actualize its plan of building an administration block as well as finalize on the ongoing development projects.

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON COUNTY ASSEMBLY OF ELGEYO MARAKWET FOR THE YEAR ENDED 30 JUNE 2018

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of County Assembly of Elgeyo Marakwet set out on pages 1 to 31, which comprise the statement of financial assets and liabilities as at 30 June 2018, and the statement of receipts and payments, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of County Assembly of Elgeyo Marakwet as at 30 June, 2018, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the County Governments Act, 2012 and The Public Finance Management Act, 2012.

Basis for Qualified Opinion

1.0 Presentation and Accuracy of the Financial Statements

1.1 Statement of Comparison of Budget and Actual Amounts

The statement of comparison of budget and actual amounts recurrent and development combined reflects total payment adjustments figure of Kshs.17,864,051 which is at variance with the computed figure of Kshs.127,191,421 resulting to a variance of Kshs.109,327,370 which has not been reconciled or explained. Further, the statement reflects compensation of employees final budget of Kshs.226,603,351 which is also at variance with the computed figure of Kshs.335,930,721 resulting to a variance of Kshs.109, 327,370 which has also not been reconciled or explained.

Under the circumstance, the accuracy of the statement of comparison of budget and actual amounts recurrent and development combined for the year ended 30 June 2018 could not be confirmed.

1.2 Variance Between Statement of Receipts and Payments and Statement of Comparison of Budget and Actual Amounts

The statement of receipts and payments for the year ended 30 June 2018 reflects total receipts of Kshs.483,780,305 which is at variance with the statement of comparison between budget and actual amounts recurrent and development combined figure of Kshs.483,318,854 resulting in unreconciled balance of Kshs.461,451. The statement of receipts and payments also reflects total payments figure of Kshs.483,636,693 while the statement of comparison between budget and actual amounts recurrent and development combined indicates a figure of Kshs.483,318,854 resulting in unreconciled balance of Kshs.317,839.

In consequence, the accuracy and completeness of the statement of receipts and payments for the year ended 30 June 2018 could not be confirmed.

2.0 Use of Goods and Services

2.1 Domestic Travel and Subsistence

Included in the use of goods and services expenditure of Kshs.177,407,534 reflected in the statement of receipts and payments is domestic travel and subsistence expenditure of Kshs.40,499,965 which include Kshs.16,406,800 incurred on County Assembly members' per diem. However, the per diems were directly expensed instead of being issued as imprest. Although management has explained that the expenditure relates to reimbursements for expenditure incurred before release of funds, supporting claim vouchers and approval for incurring the expenditure were not provided for audit verification. Further, invitation letters, attendance registers, training needs assessment report, nomination letters for participants and certificates in support were not made available for audit scrutiny.

In view of the foregoing, the accuracy, validity and propriety of Kshs.16,406,800 expenditure on domestic travel and subsistence for the year ended 30 June 2018 could not be ascertained.

2.2 Committee Expenses

Included in the use of goods and services figure of Kshs.177,407,534 reflected in the statement of receipts and payments is other operating expenses expenditure of Kshs.44,224,096 which include an expenditure of Kshs.14,440,195 incurred on per diems for members of county Assembly which was directly expensed instead of being issued as imprest.

Under the circumstances, the validity and propriety of other operating expenses expenditure of Kshs.44,221,096 for the year ended 30 June 2018 could not be confirmed.

3. Lack of Management Representation Letter

International Standard of Supreme Audit Institutions 1580 requires management to provide a management representation letter on the assertions made on the financial

statements presented for audit. However, the County Assembly management did not provide the prerequisite management representation.
Consequently, the ownership, validity and authenticity of the financial statements for the year ended 30 June 2018 could not be ascertained.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Elgeyo Marakwet County Assembly in accordance with ISSAI 30 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. Except for the matters described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

Other Matter

1. Budget Control and Performance

1.1. Budget Absorption

During the year under review, the Elgeyo Marakwet County Assembly had a total budget of Kshs.484,923,423 comprising development budget of Kshs.12,487,427 and recurrent budget of Kshs.472,435,996. However, the total budget reflected overall under absorption of Kshs.1,604,839 as summarized below:

Item	Budgeted Allocation 2017/2018	Actual 2017/2018	Under/Over Absorption	Under Absorption Rate %
Development	12,487,427	11,360,601	1,126,826	9%
Recurrent	472,435,996	471,957,983	478,013	0%
Total	**484,923,423**	**483,318,584**	**1,604,839**	**0%**

The under absorption of approved budget on development vote is an indication of activities and projects in the annual work plan not implemented by the County Assembly which is likely to have negative effect on service delivery by the County Assembly.

1.2 Development Budget

During the year under review, the County Assembly allocated Kshs.12,487,427 to development Vote and spent a total of Kshs.11,360,601 resulting to net under expenditure of Kshs.1,126,826. However, the development vote budget is approximately 2.6% of the total budget contrary to Regulation 25 (1)(g) of the

Public Finance Management (County Governments) Regulations, 2015 which stipulates that pursuant to Section 107(5) of the of the Public Finance Management Act, 2012 the county government actual expenditure on development shall be at least thirty percent in conformity with the requirement under Section 107(2)(a) of the Act.

1.3 Recurrent Budget

During the year under review, the Elgeyo Marakwet County Assembly allocated Kshs.472,435,996 for recurrent expenditure and spent a total of Kshs.471,957,983 resulting to under expenditure Kshs.478,013 as detailed below:

Item	Budgeted Allocation 2017/2018 (Kshs)	Actual Expenditure 2017/2018 (Kshs)	Under/Over Absorption (Kshs)	Absorption Rate %
Compensation of Employees	226,603,351	226,603,314	37	100%
Use of goods and services	177,881,645	177,404,535	477,110	100%
Transfers to Other Government Units	45,000,000	45,000,000	0	100%
Acquisition of Assets	22,948,000	22,947,134	866	100%
Other Payments (Bank Charges)	3,000	3,000	0	100%
Total	**472,435,996**	**471,957,983**	**478,013**	100%

From the above analysis, it is evident that the County assembly spent all funds allocated for the recurrent vote. However, the Assembly spent Kshs.226,603,314 or 47% of the receipts on compensation of employees contrary to Section 25 (1)(a) and (b) of the Public Finance Management (County Governments) Regulations, 2015 which stipulates that the County Executive Committee Member with the approval of the County Assembly shall set a limit on the county government's expenditure on wages and benefits for its public officers pursuant to section 107(2) of the Public Finance Management Act,2012 and the limit set shall not exceed thirty five (35) percent of the county government's total revenue. The 12% over expenditure on the recommended limit has not been explained.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the procedures performed, except for the matters described in the Basis for Conclusion on Compliance and

Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1.0 Compensation of Employees

1.1 Failure to Observe One Third Staff Establishment Rule

An audit review of personnel records availed for audit revealed that the County Assembly had 68 (Sixty-eight) employees out of which 65 (Sixty-five) or 96% are from the dominant ethnic community. The County Assembly is in breach of Section 65(1) (e) of the County Governments Act, 2012 on staff establishment which requires that County Public Service Board in selecting employees should ensure that at least thirty (30%) of the vacant posts at entry level are filled by candidates who are not from the dominant ethnic community.

1.2 Irregular payment of Acting Allowances

Included in the compensation of employees figure of Kshs.226,603,314 reflected in the statement of receipt and payments is acting allowance expenditure of Kshs.15,983,595. However, the expenditure was not budgeted for and no documentary evidence was availed to confirm that officers had been appointed in acting capacity.

Under the circumstances, the propriety of acting allowance expenditure of Kshs.15,983,595 for the year ended 30 June 2018 could not be confirmed.

2.0 Use of Goods and Services

2.1 Printing, Advertising and Information Supplies

Included in the use of goods and services figure of Kshs.177,407,534 reflected in the statement of receipt and payments is an expenditure of Kshs.2,736,805 on advertisements in local dailies whose procurement did not meet the conditions for use of direct method as stipulated in Section 103 (2) of the Public Procurement and Asset Disposal Act, 2015.

Under the circumstance, the validity and propriety of Kshs.2,736,805 expenditure on advertisements for the year ended 30 June 2018 could not be confirmed.

2.2 Hospitality Supplies and Services

An audit review of records related to expenditure on hospitality supplies and services including payment vouchers, ledgers, cashbook, invoices, LPOs and the supporting schedules revealed that the entity incurred an expense of Kshs.5,693,665 on catering and other hospitality services . However, no procurement records were availed to

confirm how the suppliers of catering services were identified. Further, invoices, time tables/itineraries and signed attendance registers were not availed for audit verification.

Under the circumstances, the validity of hospitality supplies and services expenditure of Kshs.5,693,665 for the year ended 30 June 2018 could not be confirmed.

2.3 Routine Maintenance - Vehicles and Other Transport Equipment

Included in the use of goods and services figure Kshs.177,407,534 is routine maintenance of vehicle and other transport equipment of Kshs.2,799,961. However, the expenditure was not supported by job cards indicating the repairs carried out and the estimated cost.

Under the circumstances, the validity and propriety of routine maintenance of vehicle and other transport equipment expenditure of Kshs.2,799,961 could not be confirmed.

3.0 Acquisition of Assets

3.1 Construction of Building

Included in the acquisition of assets figure of Kshs.34,307,736 as disclosed under note 10 to the financial statements is construction of building figure of Kshs.7,200,957 in respect of the completion of cafeteria Phase II . Available records revealed that the completion of cafeteria Phase II was estimated to be on 12 April 2016 but physical verification during the month of October 2018 revealed that it has not been completed to date. No approval for extension of contract period was availed for audit review although the contractor had requested for an extension of the contract period on 16 November 2017, about 18 months after expiry of the contract period .
The contractor is in breach of contract agreement for the construction of buildings.

3.2 Purchase of Vehicles and Other Transport Equipment

Included in the acquisition of asset figure of Kshs.34,307,736 reflected in the statement of receipt and payments is purchase of motor vehicles and other transport equipment figure of Kshs.13,875,000 However, available information indicates that the expenditure was not budgeted for and therefore not approved.
Under the circumstances, the management is in breach of the law.

3.3 Purchase of Office Furniture and Other Equipment

Included in the acquisition of assets figure of Kshs.34,307,736 reflected in the statement of receipts and payments is purchase of office furniture and other general equipment expenditure of Kshs.5,049,507. However, the furniture and equipment have not been put to use eight (8) months since their delivery. Although the management explained that the equipment could not be put in to use as the cafeteria was not complete and operational, no reason was given for acquiring the equipment before the building was complete as this could render the equipment unusable or even become obsolete and tying the much need cash. Further, procurement records such as quotations were also not availed for audit verification.

Under the circumstances, value for money on the office furniture and other general equipment expenditure of Kshs.5,049,507 was not realised.

3.4 Purchase of ICT Equipment, Software and Other ICT Equipment

The County Assembly procured tablets costing Kshs.5,012,800 but a list of officers issued with the tablets and laptops was not availed for audit verification. In addition, the inspection and acceptance reports for the tablet was also not availed for audit verification.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, GOVERNANCE AND RISK MANAGEMENT SYSTEMS

Conclusion

As required by Section 7 (1) (a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for conclusion

1. Understanding the Entity

1.1. IT Controls

As noted in the previous audit, audit review of the ICT environment of Elgeyo Marakwet County Assembly for the year ended 30 June 2018 revealed the following:

a) The entity has not established IT steering committee at the board level to provide direction on IT matters.

b) The following issues regarding non-implementation of some of the provisions of the ICT Policy were noted, including:

i) The policy recommends that the Anti-Virus software be updated every fortnight but this could not be verified.

ii) The policy makes provision for staff to have unique e-mail addresses which could also not be verified.

iii) There is provision for creation of an office intranet which could not be verified as well

iv) There is provision for creation of an ICT Department with an ICT Manager. At the time of audit in October 2018, there were two officers designated Officer I and Officer II.

Under the circumstances, the entity may fail to realize its objectives due to effects associated with poor implementation of IT policies.

The audit was conducted in accordance with ISSAI 1315 and ISSAI 1330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis)] and for maintaining effective internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control.

In preparing the financial statements, management is responsible for assessing the County Assembly of Elgeyo Marakwet's ability to continue sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the County Assembly either intends to liquidate the Elgeyo Marakwet County Assembly or to cease operations, or have no realistic alternative but to do so.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public money is applied in an effective manner.

Those charged with governance are responsible for overseeing the Elgeyo Marakwet County Assembly financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance review is planned and performed to express a conclusion with limited assurance as to whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution. The nature, timing and extent of the compliance work is limited compared to that designed to express an opinion with reasonable assurance on the financial statements.

Further, in planning and performing the audit of the financial statements and review of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7 (1) (a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Elgeyo Marakwet County Assembly policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a

basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Elgeyo Marakwet County Assembly ability to continue as a going concern or to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Elgeyo Marakwet County Assembly to cease to continue as a going concern or to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Elgeyo Marakwet County Assembly to express an opinion on the financial statements.

- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

AUDITOR-GENERAL

5.8. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions. The statement of assets and liabilities, although not a requirement of the IPSAS Cash Standard, has been included to disclose information on receivables and payables.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

2. Reporting entity

The financial statements are for the Elgeyo Marakwet County Assembly. The financial statements encompass the reporting entity as specified in section 164 of PFM Act 2012.

Transfers from the Exchequer/ County Treasury

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Other Receipts

Other receipts relate to receipts such as tender fees among others. These are recognised in the financial statements when the associated cash is received.

b) Recognition of payments

The entity recognises all expenses when the event occurs and the related cash has actually been paid out by the entity.

Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

4. In-kind contributions

In-kind contributions are donations that are made to the County Assembly in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the County Assembly includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

5. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. There were no restrictions on cash during the year.

6. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

7. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. Other liabilities including pending bills are disclosed in the financial statements.

8. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

9. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the County Assembly at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

5. PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue *(Name and designation)*	Status: *(Resolved / Not Resolved)*	Timeframe: *(Put a date when you expect the issue to be resolved)*
1.0	Transfers from County Treasury/ Exchequer Releases	An amount of ksh.460, 875,172 was received under Recurrent account and an amount of kshs.8, 169,701 was payment by the County Treasury for development projects of the Assembly, totalling to Ksh. 469,026,873. However, the county assembly does not manage a separate Development Account. The county treasury makes exchequer requisitions for development vote which is credited in to one Development Account managed by the County Treasury. The variance of Kshs 7,870,000 therefore relates to unspent funds under development vote for County Assembly which was rolled over to 2017/2018 financial year to gather for pending bills on on-going projects.	Joseph K. Rutto. Principal Finance Officer	Resolved	
2.0	Hospitality Services	Supporting documents for the aforementioned payments under hospitality services were provided. However, herewith find enclosed the same copies for your verification.	Barnabas K. Richard Senior Accountant	Resolved	
3.0	Pending Bills	The pending bills amounting to Ksh. 9,007,127 was analyzed in annex 1 – Analysis of pending accounts payables in 2016/17 financial statements. The projects under construction of buildings were still ongoing hence could not be cleared. However, during 2017/2018 FY we paid most of the pending bills leaving an outstanding	David Barngetuny Snr. 		amount of Kshs. 1,126,826 as roll over to 2018/2019 FY. Consequently, we undertake to clear all pending bills once the county assembly passes a supplementary budget.			
1.1	Budget Absorption	Some recurrent budget lines were underutilized because the Assembly did not receive the entire allocation from the Treasury for the financial year 2016/17. Similarly, the Assembly could not utilize the entire development vote since the projects have not been completed.	Barnabas K. Richard Senior Accountant	Resolved	
1.2	Development Budget	The variance of Kshs. 9,327,068 related to pending bills for County Assembly Development projects amounting to Kshs. 7,870,127 which were yet to be completed and another Kshs. 1,456,941 for retention. But as mentioned earlier, we paid most of the pending bills leaving an outstanding amount of Kshs. 1,126,826 as roll over to 2018/2019 FY. Consequently, we undertake to clear all pending bills once the county assembly passes a supplementary budget.	David Barngetuny Snr. Procurement Officer	Un Resolved	31st December, 2018
2.0	Failure to observe One Third Staff Establishment Rule	The County Assembly Service Board will endeavour to adhere to the one third rule on future employments.	Jane Kiptum-Mutai Clerk to the County Assembly	Un Resolved	On going
3.0	Failure to comply with One third Net Salary	Indeed some members of the County Assembly earned less than the one third of their basic salary. This was because they took the Mortgage and the Car Loan late due to enactment of the respective legislation. This resulted to higher deduction rate since they had a time frame to clear the loans which	Barnabas K. Richard	Resolved

		they actually did. Consequently, we have ensured compliance with the one third rule going forward.			
4.0	Irregular Committee Sitting Allowance	The Kshs. 913, 900 was paid to one member who was visually impaired and since it related to various committee sittings, other present members signed for him though there was no written authority. Consequently, we have taken cognisance of the oversight and promise to endure compliance in future.	Joseph K. Rutto. Principal Finance Officer	Resolved	
5.1	IT Internal Control Environment	The County Assembly Service Board (CASB) has already constituted the IT steering committee which initially had not been established during the course of the 2016/2017 FY. Similarly, has also ensured the implementation of the ICT policy.	Jane Kiptum-Mutai Clerk to the County Assembly	Resolved	
6.1.1	Construction of Cafeteria	The project was delayed due to payment and technical issues by the project manager. However by close of 2017/18 FY, the project had been completed 99% and it's only awaiting handing over.	David Barngetuny Snr. Procurement Officer	Un Resolved	31st December, 2018
6.1.2	Provision of Landscaping Works	By end of June 2018, all the works were completed and awaiting handing over	David Barngetuny Snr. Procurement Officer	Un Resolved	31st December, 2018
6.1.3	Construction of Car Park	By end of June 2018, all the works were completed and awaiting handing over	David Barngetuny Snr. Procurement Officer	Un Resolved	31st December, 2018

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue *(Name and designation)*	Status: *(Resolved / Not Resolved)*	Timeframe: *(Put a date when you expect the issue to be resolved)*
6.2	Kitchen Equipment	The equipments were supplied, delivered, installed, tested and commissioned on 15th October, 2018.	David Barngetuny Snr. Procurement Officer	Resolved	
6.3	Inherited Assets	It is true that there was no handing over/taking over of the asset inherited since the Transition Authority has not finalized the same. However, we have since amended the financial statement to reflect the assets acquired by county assembly using its own funds.	David Barngetuny Snr. Procurement Officer	Unresolved	On going
